## RP 1.2 EPDM Rinseable Primer

### Basic Uses & Description:

RP 1.2 EPDM Rinseable Primer is a low viscosity sprayable liquid used to pretreat and clean roofing membranes. Use RP 1.2 EPDM Rinseable Primer to pretreat black EPDM rubber roofing membrane prior to power washing and application of PM Home Sil High Solids Silicone Roof Coating. Its distinct chemistry is designed for use with elastomeric roof coating formulations and may also be used to clean TPO membrane. Pretreatment or cleaning with RP 1.2 EPDM Rinseable Primer significantly improves the adhesion of coatings to EPDM rubber and TPO membranes.

### Recommended Application Instructions:

1. Apply RP 1.2 EPDM Rinseable Primer via a sprayer (Hudson-type agricultural, conventional pressure or airless) at an application rate of 500 sq ft/gal.
2. Use a 3'-4' arc pattern.
3. Allow RP 1.2 EPDM Rinseable Primer to stand for a minimum of 15 minutes.
4. Clean EPDM with a commercial power washer (between 2,000-3,500 psi). When cleaning the EPDM, it should be done slowly and close to the surface in order to remove mica and inorganic release agents.
5. Rinse thoroughly with power washer. The rinse step may be done at a faster pace than the cleaning step. The final rinse water should be clear with no soap bubbles present.
6. The EPDM will range from muddy brown to black after washing with RP 1.2 EPDM Rinseable Primer.
7. When the surface is dry, coating can begin.

### Storage and Shelf Life:

RP 1.2 EPDM Rinseable Primer should be stored out of direct sunlight in a cool place. Also avoid storing in extreme temperatures; ambient temperature preferred. Keep containers tightly closed in a cool, well-ventilated place. Do not store this material in containers made of the following: aluminum. Product shelf life when stored at the recommended conditions is 12 months from date of manufactured.

### Typical Properties

<b>As Supplied:</b>	
Appearance.....	Clear Liquid
Color.....	Pink
Odor.....	Mild
pH.....	13.0-13.5
Specific Gravity, g/cc.....	1.01
Density, wet, lbs/gal.....	8.46
Solubility in water.....	Completely soluble

**Packaging Sizes:** RP 1.2 EPDM Rinseable Primer is available in 5 gallon containers.
